

TODAY'S WORD: Willpower

AFFIRMATION: I am blessed with the strength of divine willpower.

Willpower is like a muscle, becoming stronger with regular use. Willpower is a trusted part of me, allowing me to hold on or let go, whichever serves my highest purpose. When I choose to do the will of God, I express my spiritual nature.

My willpower allows me to release what no longer serves my highest good. I focus my attention on the good I desire and affirm my ability to accomplish what I want in life. My will empowers my intentions and provides the impetus for fulfilling them.

Using the strength of my willpower to direct me, I enhance all the good coming to me and through me. I am blessed in mind, body, and spirit through the directive power of my will.
