

TODAY'S WORD: Then There's Now

AFFIRMATION: "I am fully present in the power and prosperity of Divine good."

Life is filled with adventures, moments of beauty, or heartfelt laughter. So why would I allow the busyness of material life to edge out my deeper priorities and values?

Every moment is precious. Now is the time for me to forgive, reach out, and express my love. Now is the time to live as prayer in action - in gratitude for the gift of my life.

I recommit today to being fully present in the moment - to the content and awareness of God's presence. I allow Spirit to take charge of my life, aligning my priorities with my values. I trust that I am always in the right place at the right time. I am always in - and acting as - the presence of Spirit.

In faith, I affirm: Now is the time. This is the place. I am the one.
