

# The Power of Order

Be aligned, balanced and in  
harmony with your  
unfolding good

TODAY'S WORD: Divine Order

AFFIRMATION: Divine order is now established in my life.

The evidence of divine order can be observed all around. A cloud of birds suddenly lifts up into the sky, rising together simultaneously, without signal or sign. Pendulum clocks together in a room eventually synchronize their rhythmic swing. Similarly, prayers can set into motion deep ordering principles that dwell at the heart of all that is happening in the universe.

We are all part of this perfect order. The simple affirmation divine order can cause faulty equipment to begin functioning, timing to harmonize perfectly, and guidance to come forth easily.

Today and every day, I affirm divine order and trust in my spiritual connection with the power and presence of God.

SACRED TEXT: *"The crooked shall be made straight, and the rough ways made smooth."* Luke 3:5
