Youth & Family Ministry Program

Unity's Five Basic Principles for Children

1. God is all good and active in everything, everywhere.
2. I am naturally good because God's divinity is in me and in everyone.
3. I create my experiences by what I choose to think and what I feel and believe.
4. Through affirmative prayer and meditation, I connect with God and bring out the good in my life.
5. I do and give my best by living the truth I know. I make a difference.
